### Love poached eggs Hate cleaning pan.

By **Hate to clean egg pans** from Darlington, Maryland on  
**7/13/2008**

GO

**Pros:** Attractive Design, Compact, Dishwasher Safe, Easy To Clean, Easy To Use, No messy pan to clean up, Quality Construction, Simple Controls

**Best Uses:** Dorm Rooms, Elaborate Meals, Large Kitchens, Simple Meals, Small Kitchens

**Describe Yourself:** Gourmet Cook

**Bottom Line:** Yes, I would recommend this to a friend

I am able to get perfect poached eggs every time. My husband likes well done. NOTHING RUNNING. I like my eggs hot with soft yolks. We now eat together as I put his in first then mine. We are left with two pods to clean and that is a breeze. I threw out my other egg poachers. This morning we just dropped the pods into a small ramkin dish and ate the egg right out of the pod.
